Re: Marijuana Product Manufacturing Facility license #10886

Dear applicant,

The AMCO Office is reviewing the documents submitted for the transfer of the marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - I did not see an MJ-00 for Joanne Ellsworth. Please submit.

- **MJ-01 Operating Plan**
  - Page 12: just FYI, in addition to following your steps in Metrc, and what not, regarding logging the waste, the 3-day notice must also be given by email to our enforcement section as Metrc does not currently have the capability of flagging the waste (in the works to get fixed, though).

- **MJ-02 Premises Diagram**
  - Please submit diagrams with little larger font size on the legend, it's difficult to read. After I review the re-submitted diagram I will let you know if I need anything else. Of course, do keep the color coded licensed premises and restricted access area.

- **Proof of Possession for Proposed Premises**
  - Please include in the lease a disclaimer that the lessor/landlord will not take possession of or remove marijuana or marijuana products, and that AMCO enforcement will be contacted (usually under "Default" section).

- **Applicant's Residency**
  - Will the following persons be applying for 2018 PFD? Melissa Cervantes; Jeffrey Waltzin; Billie Jo Gehring; Martin R Tacke; Naomi Johnson; Seth Hawkins; Lynn Crane; Judy Bath; Joshua Spence; Joanne Ellsworth; Frank Berardi; Brandon Emmett; Craig O'Donghue; Curtis Franklin; Dawson Carroll. If they are, will it be possible for them to apply right away? Or, if they are not, or whoever is not, please let me know so I can send you an MJ-18.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee. Additionally, there may be enforcement action against your marijuana establishment license.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
