Hi, Jessica,

I just got to your corrections. Couple of more things:

- Leslea, please follow up with PFD office to resolve eligibility.
- MJ-01: please provide me with a better picture of the licensee/employee/agent ID, and the visitor ID. The one that you sent with the updated MJ-01 are too dark. You can send them in a separate picture, please don't send me the entire form.
- MJ-02 Premises Diagram: Can you please give me a call on this, I have questions that are hard to relay over email.
- MJ-04: the sample label you submitted is missing information required under 3 AAC 306.475(d). Submit an updated sample label, not the entire form.

This email does not extend the 90-day deadline to get this transfer application complete. That deadline is 5/02/18.

Respectfully,

Hi Jane,

Attached you will find the updated documents for our license transfer. Leslea, Cristopher and I have now all completed our PFD applications. It was still difficult for the image of the Please let me know if you need any other information or if you have any additional questions. Thank you for all of the work you do for this industry, we really appreciate it.
