Good afternoon,

I have reviewed the corrections that were submitted. There are further corrections needed:

-MJ-04:

- Page 6, Sample Label: I cannot deem your application complete until the requested corrections are received. I see that you made some corrections to the warning statements; however, they are still inaccurate. The warning statements must be word for word as written in the regulations. Be very specific and make sure that they are verbatim. Most of your statements are now correct, but the others are incorrect. I have bolded, underlined, and highlighted in red the errors below. Please correct accordingly.
  -There are health risk**s** associated with consumption of marijuana.
  -For use **only** by adults twenty-one and older. Keep out of **the** reach of children.

* Note- Please get your corrections in by close of business on May 25th to be considered for the June 13-15 Board Meeting. Additionally, if you are unable to get your corrections in by May 25th, the 90 day deadline for your application to be deemed complete is June 6, 2018.

Please send any documents/correspondence to marijuana.licensing@alaska.gov.

Respectfully,

Jacqlene Drulis
