Good morning, Mark,

I am re-notifying you of the complete application for Northern Dreams, LLC license #13752.

At the April 2018 meeting the marijuana control board requested that the applicant re-do the public notices required under 3 AAC 306.025(b) because it was found that the Community Council was not appropriately notified by the applicant. At the April 2018 meeting the director also stated that once the applicant had met such requirements our office would re-notify you, the local government, and the community council of a complete application.

I will ZendTo you the application documents. The 60-day protest period for the Mat-Su Borough will start again. I know that the Mat-Su Borough has waived its right to protest on this application, however, if your waive-of-protest still stands our office would be appreciative of you reiterating it.

Thank you, Mark.

Respectfully,

Jane P Sawyer
