Good evening,

I have reviewed the corrections that were submitted. There are further corrections needed:

-MJ-01:

- Pages 12-13: please re-review 3 AAC 306.740 and adjust your answers accordingly. For example, the board must be given notice not later than three days before rendering the waste unusable, not before the waste is disposed of. Additionally, the waste must be stored onsite, but your answer says that the waste will not be stored onsite. Furthermore, please describe where the waste will be stored and managed.
- Page 15, first box: your answer discusses packaging for resale, but your email stated that you are not planning on packaging for resale, so you only provided a sample label on your MJ-04 for wholesale. Please correct accordingly.

-MJ-02:

- For the diagram provided:
  - The previous statement of, "The entire licensed premises is a restricted access area" was sufficient. The MJ-02 must show/discuss the licensed premises and the restricted access area. It is up to you how you want to proceed; but, a suggestion is for you to write, "The entire licensed premises is a restricted access area (shown below and outlined in brown). However, the brown color looks too similar to the orange color. Similarly, the pink and red (window and work bench) colors are hard to distinguish. Please correct accordingly.
  - There is wording that is cut off from the color coded section. For example, the gray (open floor) and red (work bench…) labels are cut off from the diagram. Additionally, the door from inside your house only says, "Door from". Please correct accordingly.
  - I see that you removed the Surveillance Equipment Storage Cabinet. Please put this back on the diagram.

-MJ-04

- Page 4: Please refer to the requested corrections on pages 12-13 on the MJ-01 for guidance. This box must be congruent with pages 12-13 of MJ-01.

-MJ-07

- Because you certified this form before the posting period had ended, please get the MJ-07 re-notarized and resubmit it so that it is notarized after 4/23/18.

Please send any documents/correspondence to marijuana.licensing@alaska.gov.

Respectfully,

Jacqlene Drulis
