Good afternoon,

I have reviewed the corrections that were submitted. There are further corrections needed:

-MJ-01: Operating Plan

- Thank you for making the requested correction concerning waste to page 12; however, the other requested corrections were not completed. The font size was not reduced, there were no additional pages that were clearly titled as "continued on next page" (if necessary), and the + symbol was not removed. When we receive fillable PDFs (like you submitted), we must convert them to non-fillable PDFs in order to review them. Please make the previously requested corrections so that there is no + symbol or scroll bar included in your answers. As is, we cannot process/review your MJ-01 in full.

-MJ-02: Premises Diagram

- I see that you removed the surveillance room from the previously submitted diagram. Please add the surveillance room to the new diagram(s).
- I see that you explained a lot of information on your coversheet; however, please include the vital information on the actual diagram(s), such as:
    - A key explaining the what the colors mean. For example:
        - Yellow= licensed premises and restricted access area
        - Orange= licensed premises, not restricted
        - Pink= Upstairs unit (unoccupied)

-MJ-05: Manufacturing Supplemental

- For all of the products except the butter, coconut oil, and the healing body balm, please make the following corrections:
    - In Section 5, in the "Packaging Description" field- please reword your package options so that the serving size is clear. For example: 1 piece=1 serving=5mg, 6 servings= 30mg.
    - For the front of label- please explain what constitutes a serving. For example: 1 piece= 1 serving, or 1 cookie= 1 serving, or serving size 1 piece, or serving size 1 cookie.

-POPPP

- Please include Fairbanks in the address.
- For the disclaimer, the first two sentences are adequate; however, the last statement is inaccurate. The lessor must contact AMCO in the event that the lessor needs to take possession of the property, not if the agreement is violated. So, stating- "the landlord/lessor may not take possession or remove marijuana from the premises, and AMCO will be

contacted" is sufficient.

- For the signature portion, putting the individuals (Audrey Ranstead and Stephen Hallsten) as the lessees is incorrect. Baked Alaska LLC is the lessee. You may include the individuals, but you must specify the individual as the signer, not the lessee.

*Note- the deadline to be considered for the June board meeting is tomorrow, May 25th. If you are unable to submit the requested corrections by that deadline, the following board meeting is August 15-16 with a deadline of July 27th.

Please send any documents/correspondence to marijuana.licensing@alaska.gov.

Respectfully,
