Jason,

The last thing I need for this application to be deemed complete is the publisher's affidavit with a copy of the correctly-worded newspaper ad. The absolute deadline for you to submit it is **tomorrow 5/24/18 by 4pm**, or your client will have to reapply for the license transfer (new application packet, new fees, etc.)

Respectfully,

Jason,

Here is a list of things that were not complete from the review of the corrections submitted:

- The MJ-00 for John D Connolly (attached) has the two boxes on the last page initialed when only one box should apply.
- Do you know why the newspaper ad that ran in April did not include all the wording that is supposed to?. It is missing the "Interested persons may object……" wording. A newspaper ad that includes the "Interested persons may object….." wording needs to run, and I will need the publisher's affidavit for it including the newspaper ad. ALSO, please have them add the word "Standard" before "…Marijuana cultivation…" on the ad.
- MJ-02:
    - the purple color/licensed premises needs to be perfectly tightly around the perimeter of the licensed premises.

    - Grab a different color and outline the perimeter of the bathroom(s) and label it as “not restricted access area”.
- MJ-01, page 3: please provide a sample of what the Visitor’s ID badge look or will look like.
- MJ-04, page 9: the warning statements on this label are not verbatim. Please double check them against the regulations and correct them. Make sure that the text is legible (it’s a little too blurry as is).

Please address the above as soon as possible. The deadline to get this transfer complete was 05.02.18. I realize that due to my workload it took me a little while to review the corrections and get back to you, however, it is on the licensee’s burden to submit complete and accurate paperwork at once, preferably.

Respectfully,
