Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-00 Application Certifications**
  - Page 3, Section 4 – Certifications:
    - A statement was signed on this page that should only be signed if you are applying for a marijuana testing facility license. Please read all statements on this page and sign initials only next to the applicable statements.
- **MJ-01 Operating Plan**
  - Page 5, Section 3.13:
    - Please re-review 3 AAC 306.720 and expand on your response to describe how security cameras are placed in areas where marijuana is grown, cured, and where waste is destroyed.
- **MJ-02 Premises Diagram**
  - Diagram #1 and Diagram #2:
    - Please label these diagrams with your DBA, Dannys Place.
- **MJ-04 Cultivation Supplemental**
  - Page 2, Section 2.1:

- **Publisher's Affidavit**

- The advertise states that the deadline for submitting objections to the application is "not later than 20 days after the director has determined the application to be complete and has given written notice to the local government", but interested persons will have **thirty (30)** days to submit objections after the application is deemed complete. It will be necessary to run a corrected advertisement **one** time and provide a new affidavit from the publisher.

- **Proof of Possession for Proposed Premises**
  - The lease contains a disclaimer that the landlord will not remove or take possession of marijuana and will contact AMCO, but please specify that AMCO would be contacted in the event that removal of marijuana or marijuana products from the premises is necessary.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.
