Jennifer,

I reviewed the corrections received 6.26.18. The application is still incomplete I will outline below. This email does not extend your 90-day deadline to get this application complete. That deadline is 9/6/18. Furthermore, applications must be deemed complete by 7/27/18 in order to be considered for the MCB meeting in August.

- In the attached page, can you correct the total square footage under cultivation the big number 500.
- I don't know how you are sending the copy of the newspaper ad, but I am not able to retrieve it. I will accept a very good quality cell phone picture of it.

Thank you

Jane P Sawyer
