Re: Retail Marijuana Store #10314

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.** Please be sure to read the entire letter.

- **MJ-00 Application Certifications**
  - Page 1, Section 3: If you are planning on pursuing a standard marijuana cultivation facility at the same location as the proposed marijuana retail store, please remove the license number #10150 because that license number is no longer valid. Instead, you could refer to that license as a future standard marijuana cultivation facility, or something along those lines.

- **MJ-02 Premises Diagram**
  - Page 2, Section 2: this submitted form was not signed and notarized. Please submit a signed and notarized copy.
  - On all diagrams, please include a true north arrow.
  - Remove the cameras from any/all of the diagram.
  - How do the customers get from the waiting room to the sales floor? The diagram does not show a door. Please correct accordingly.
  - On most of the submitted diagrams, you reference license #10150. If you are still pursuing that location for cultivation, please remove the license numbers (#10150) from the diagrams because that license number is no longer valid. Instead, you could refer to that portion of the building as a future cultivation licensed premises, or something along those lines.
  - In reference to the diagram with the future expansion plan, I see that the stairs from the retail diagram are included in the licensed premises. What is the mezzanine being used for presently? In other words, what is the plan for the mezzanine if you receive your marijuana retail store license, and there is no onsite consumption allowed? If you are planning on including the mezzanine in the current proposed licensed premises, then please do so on the diagram(s). Also, how do you access the stairs? There appears to be walls, but no door. Please clarify and correct accordingly.

- **MJ-03 Retail Supplemental**
  - Page 3, Section 5.1: In this section, you state, "Marijuana and marijuana products will be displayed in either locked, glass display cases (as shown below)…" I did not see anything shown below, as stated. Please, either, submit the referenced attachment or remove that wording.

- **Entity Documents**
  - The Division of Corporations, Business, and Professional Licensing (CBPL) shows Karen Lowry's percent owned as 33.30%; however, your Operating Agreement shows Karen Lowry's percent owned as 33.33%. Please update CBPL to correct this discrepancy.

- **Applicant's Residency**
  - Linden and Gene, did you apply for the Permanent Fund Dividend this year? If you are not applying, then let me know so I can send you form MJ-18.

It is very important that you submit the above corrections and/or documents as soon as possible. AMCO staff needs adequate time to review the documents and determine if additional corrections and/or documents are necessary to complete your application. If you fail to complete this application within 90 days of the date of this notice, you must file a new application and pay a new fee, per 3 AAC 306.025(f).

Hello – I am following up on this response to retail license, MJ18 has been determined to be complete for Linden (via the renewal process) – is this retail license going to be on the agenda for august – it is really important for the survival of this business to have the retail outlet operating as soon as possible. Please confirm this is an agenda item for august. Thank you, Jana

Jacq is working on this application but she is out of the office until next Tuesday. I don't know if there would be anything else needed to complete this application, but I do know that you submitted corrections on 7.13.18, and

that enforcement is still working on Linden's MJ-18.

Jacq will see this email when she comes back, she knows what the internal deadlines are, and she is aware of applicants wanting to be on the August meeting.

Thank you

Hello AMCO team:

Attached you will find the following documents responding to the incomplete letter we received:

- MJ00 for all three licensees with all license references to license number 10150 removed.
- MJ02 page 2 is signed an notarized.
- All cameras have been removed from the diagrams
- True north arrow has been added
- A door has been added to waiting room so customers may enter sales floor
- References from all diagrams to license number 10150 have been removed and replaced with "future" or possibly future cultivation.
- Mezzanine – removed any reference of onsite consumption, until my client reviews the regulations once adopted by MCB my client will determine if the building and layout of facility

is proper for onsite consumption and apply per the board's direction and requirements for said onsite use. The mezzanine in the meantime will be used for non-mj storage of non-marijuana items. it will remain a part of the retail licensed area.

- The door to the stairs is now shown on the diagram.
- Attached is a picture of the displayed locked case referenced in MJ03
- A notice of change of officials has been submitted to Corporation Division to change Karen's ownership to 33.33 as opposed to 33.30, and we will request that the Division send AMCO and us an email notifying us of the change paperwork has been received by the Division.
- Linden and Gene have both applied for their PDF.

Please let us know if you need anything else to deem this application complete. Thanks!
