THROUGH: KATIE KOESTER, CITY MANAGER
FROM: RICK ABBOUD AICP, CITY PLANNER
DATE: MARCH 18, 2019
SUBJECT: COSMIC SEAWEED MARIJUANA MANUFACTURING FACILITY

I have received and reviewed the application for Cosmic Seaweed marijuana manufacturing facility, License number 19728, proposed to be located at 262 Charles Way. The proposed establishment is found in the Central Business District outside of any areas of exclusion for such a facility, making the location ripe for consideration of a marijuana related business.

I have found that the proposal meets applicable zoning standards. The applicant does not propose any signage and understands the districts lighting standards, as stated in the application. The applicant is expected to comply with zoning permit 1218-660, which includes the provision onsite parking.

I have no objection to the application on zoning related issues.

Re: Application Status for License #19728

Dear Applicant:

AMCO has received your application for a marijuana product manufacturing facility. Our staff has reviewed your application after receiving your application and required fees. Your application documents appear to be in order, and it has been determined that your application is complete for purposes of 3 AAC 306.025(d).

Your application will now be sent electronically, in its entirety, to your local government, your community council if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough, and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest the issuance of your license or waive protest.

If you have not yet received all necessary approvals, such as a local license, conditional use permit, site plan review, Fire Marshal approval, or Department of Environmental Conservation approval, you should continue to work with those local or state agencies to get the requirements completed. We must also wait for the criminal history check for each individual licensee based on your fingerprint card(s). Your application status in the application database will be changed to "Complete" today.

Your application may be considered by the board while some approvals are still pending. However, your license will not be finally issued and ready to operate until all necessary approvals are received and a preliminary inspection of your premises by AMCO enforcement staff is completed.

Your application will be scheduled for the May 1-3, 2019 board meeting for Marijuana Control Board consideration. The meeting agenda gets posted on our website 7 days before the board meeting. **Your appearance at the meeting, either in-person or telephonic, is mandatory.** The telephone number is 1-800-315-6338 code 69176#. Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Sincerely,

Erika McConnell

☒ **New Application**

AMCO has received a completed application for the above listed license (see attached application documents) within your jurisdiction. This is the notice required under 3 AAC 306.025(d)(2).

To protest the approval of this application(s) pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant.

3 AAC 306.010, 3 AAC 306.080, and 3 AAC 306.250 provide that the board will deny an application for a new license if the board finds that the license is prohibited under AS 17.38 as a result of an ordinance or election conducted under AS 17.38 and 3 AAC 306.200, or when a local government protests an application on the grounds that the proposed licensed premises are located in a place within the local government where a local zoning ordinance prohibits the marijuana establishment, unless the local government has approved a variance from the local ordinance.

This application will be in front of the Marijuana Control Board at our May 1-3, 2019 meeting.

Sincerely,

Erika McConnell
