Beth,

I reviewed your corrections received 6.29.18 & 7.3.18. Your application is still incomplete, I will outline it below. This email does not extend your 90-day deadline to get this application complete per 3 AAC 306.025(f) to avoid having to start completely over. **That deadline is 7/9/18.** I cannot stress enough the importance of you submitting complete and accurate documents by 7/9/18.

- I attached the final diagram for this application.
  - On MJ-02, page 1, you need to include the unit number.
  - On the diagram that is outlined in yellow and which you labeled perimeter, it must be labeled as Licensed Premises.
- The lease (I attached both versions of lease you submitted, just like you submitted them):
  - The correction to the lease also needs to be on the signature page, and anywhere else the lease needs to be corrected. We do not provide legal advice in this office, please consult one if you need to. The signature page of the lease still says the tenant is The Green Store Connection…

Additionally, you still have not addressed the following (excerpts from the original incomplete letter dated April 10, 2018):

MJ-07 Public Notice Posting Affidavit

- Please take the updated Public Notice (see above, under Online Application) and post it at both the proposed retail marijuana store and another conspicuous location.

- I will need a new MJ-07 completed, and signed in front of a notary.

MJ-08 Local Government Notice Affidavit

- Please take the updated Public Notice (see above, under Online Application) and submit it to the Mat-Su Borough and the Community Council.

- I will need a new MJ-08 completed, and signed in front of a notary

Entity Documents

- Please submit The Green Store, Inc.'s bylaws.

Thank you
