Alaska Marijuana Control Board

Form MJ-15: Operating Plan Change

What is this form?

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type. **The required $250 change fee may be made by check, cashier's check, or money order.**

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. **All fields must be completed of any page for which you are requesting changes** – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

The form(s) that I am requesting board approval to change is:

- ☐ **Form MJ-01:** Marijuana Establishment Operating Plan
- ☐ **Form MJ-03:** Retail Marijuana Store Operating Plan Supplemental
- ☐ **Form MJ-04:** Marijuana Cultivation Facility Operating Plan Supplemental
- ☑ **Form MJ-05:** Marijuana Product Manufacturing Facility Operating Plan Supplemental
- ☐ **Form MJ-06:** Marijuana Testing Facility Operating Plan Supplemental
- ☑ Form MJ-16: Proposed New/Amended Marijuana Product

This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.

Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

Licensee:	Glacier Extracts, LLC	**MJ License #:**	10828		
License Type:	Marijuana Product Manufacturing Facility				
Doing Business As:	Glacier Extracts				
Premises Address:	8639 Toloff Street, Suite 3				
City:	Anchorage	**State:**	Alaska	**ZIP:**	99507

Received by AMCO 3.19.19

Alaska Marijuana Control Board

Form MJ-15: Operating Plan Change

Section 2 – Summary of Changes

Provide a summary of the changes for which you are requesting approval.

The following products are to be amended as indicated below and attached (products to be amended in said section below currently have approved MJ-16's on file, need current approved MJ-16's revised to change product, recipe, packaging, labeling, and serving pack size) :
-Glacier Gummies- Glacier Extracts will be changing the packaging from child proof box to a standard Mylar bag w/heat seal atop. The shape of gummies will change from square to round. Gummies will have these ingredient options added to recipe (powdered sugar, corn starch, essential oils for flavoring and color, glucose sugar). Gummies label has been revised to fit new designed Mylar Bag.
-Glacier Gems- Glacier Extracts will be changing the packaging from child proof box to a standard Mylar bag w/heat seal atop. The shape of Gems (hard candy) will change from square to round. Gems will have these ingredient options added to recipe (confectioners sugar, glucose syrup, powdered glucose, fruit puree, cream of tartar). Gems label has been revised to fit new designed Mylar Bag.
-Glacier Mints- Glacier Extracts will be changing the packaging from child proof box to a standard Mylar bag w/heat seal atop. The shape of Mints will change from square to round. Mints will have these ingredient options added to recipe (powdered glucose, confectioners sugar, glucose syrup, mint-flavored extract, cream of tartar). Mint label has been revised to fit new designed Mylar Bag. Mint colors will change from cloudy or clear white to cloudy, clear, white, to light green (based on mint used).

Section 3 – Declarations

Read each statement below, and then sign your initials in the corresponding box to the right: Initials

The proposed changes conform to all applicable public health, fire, and safety laws. [AB]

I understand that any temporary approval granted by the director is pending a final decision by the MCB; therefore, any investment I make, based upon temporary approval, is at my own risk. [AB]

As a marijuana establishment licensee, I declare under penalty of unsworn falsification that this form, including all accompanying schedules and statements, is true, correct, and complete.

Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

What is this form?

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.

Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

Licensee:	Glacier Extracts, LLC	**MJ License #:**		10828	
License Type:	Marijuana Product Manufacturing Facility				
Doing Business As:	Glacier Extracts				
Premises Address:	8639 Toloff Street, Suite 3				
City:	Anchorage	**State:**	Alaska	**ZIP:**	99507

Section 2 – Proposed Marijuana Concentrate or Marijuana Product

Enter information for the marijuana concentrate or the marijuana product for which you are seeking MCB approval.

Product Name:	Glacier Gummies		
Product Type: Choose one.	Other Marijuana Product		
Perishable: Yes/No	Yes	**Shelf Life:** If perishable.	6 Months
Intended Use: Smokable/ edible/topical/wholesale/etc.	Edible		

Received by AMCO 3.19.19

Form MJ-16: Proposed New Marijuana Product

Section 3 – Proposed Product Details

Enter information for the marijuana product for which you are seeking MCB approval.

Product Description: Details must include the color, shape, and texture.	Glacier Gummies will be circular and small, each piece about 1/2" - 1" in diameter. Colors will vary based on fruit flavors. Glacier Gummies will be chewy and soft in texture. Each (single) Glacier Gummy will be 1 single serving size of 5MG THC.
Ingredients:	Powdered gelatin, citric acid, corn syrup, sugar, powdered sugar, glucose syrup, corn starch, essential oils, water, fruit juice, fruit puree, fruit flavored extracts, oil cooking spray, marijuana concentrate (either Glacier Extracts approved product Glacier Goo [concentrate CO2 oil], Glacier Extracts approved product Glacier Vape Pen Oil [concentrate CO2 Oil], or another locally-sourced, lab tested AMCO-approved manufacturer's marijuana concentrate)
Standard Production Procedure and Detailed Manufacturing Process:	Slowly add gummy ingredients. Combine all, mixing gently but consistently while adding heat. Remove from heat, and pour mixture into pre-greased molds. Let mold trays cool before attempting to remove gummies from tray.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.	

Received by AMCO 3.19.19

Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

Section 4 – Proposed Product Packaging and Sample Label

Enter information for the packaging and labeling of the marijuana product for which you are seeking MCB approval.

Packaging Description: Details must include the color(s), size, packaging materials used, total amount of THC, individual serving sizes (if multiple), and other specifics showing compliance with 3 AAC 306.565. Please include photos, drawings, or graphic representations.	Individual Glacier Gummies will be placed inside of a printed and/or labeled blue/white/clear Mylar bag, with Glacier Extracts logo and branding. Mylar bag has a standard (zip-lock style) press and seal. Mylar bag will be heat sealed at the top of package using plastic film sealer for child-resistant packaging and to preserve freshness of product. Each individual Glacier Gummy will contain 5mg of THC (1 serving size). 5 packs of Glacier Gummies will contain 5 servings of 5mg of THC each, for 25mg of THC total per 5 pack. 10 packs of Glacier Gummies will contain 10 servings of 5mg of THC each, for 50mg of THC total per 10 pack. Sample Labels: Provide sample labels showing how the labeling requirements set forth in 3 AAC 306.570 will be met.	
As a marijuana establishment licensee, I declare under penalty of unsworn falsification that this form, including all accompanying schedules and statements, is true, correct, and complete.
