Dear Director Wing-Heier,

I am writing today to express Moda's continued support for the Section 1332 Innovation Waiver granted to Alaska as part of the Patient Protection and Affordable Care Act.

Moda is one of two carriers currently participating in Alaska's individual health insurance market. Without this important waiver, which authorizes the Alaska Reinsurance Program, consumers in Alaska's individual health insurance market would see significant negative impact and a decrease in the number of Alaskans able to access medical coverage.

We strongly support and are appreciative of your continued efforts to secure this waiver and its funding. Please don't hesitate to reach out with any questions or if we may be of further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Gootee", is written over a faint, light-colored signature line.
