Re: Retail Marijuana Store #16529

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 ACC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-00 Application Certifications**
  - On all three forms, please correct the Licensee portion under Section 1 to say, Good Buds LLC, since that is what your online application says.
  - On page 3 of Tekoa's and Jared's forms, the last two initialed statements contradict each other. Please re-read the last two statements and correct accordingly. As long as the statement does not apply to you, you would want to remove your initials from the second to last statement.

- **MJ-01 Operating Plan**
  - Page 2, Section 3.1: What are the proper signs that will be posted on each restricted access door/area? According to 3 AAC 306.710, each entrance to a restricted access area must be marked by a sign that says "Restricted access area. Visitors must be escorted." Please expand upon your answer and provide the specifics as to what you are referring to.
  - Page 2, Section 3.2: Please accordingly incorporate in the Operating Plan the following-
    - A marijuana establishment shall limit the number of visitors to not more than five visitors for each licensee, employee, or agent of the licensee who is actively engaged in supervising those visitors.

- **MJ-02 Premises Diagram**
  - The diagrams you submitted of the proposed retail store need some work, please show the following:
    - Outline/shade the entire perimeter/area of the proposed licensed premises AND restricted access area (use separate colors and labels, and provide a legend/key).

- Note- the bathroom mentioned in the MJ-01 can be a part of the licensed premises, but it should not be designated as the restricted access area because restricted access areas need cameras, and bathrooms should not have cameras.
    - If preferred/applicable, you can label the bathroom as licensed premises, but unrestricted.

- **MJ-03 Retail Supplemental**
    - Page 4, Section 6.2: For the sample label provided, the warning statements must be word for word as written in the regulations. Be very specific and make sure that they are verbatim. A couple of your statements are correct, but the others are incorrect. Please correct accordingly. Here is an example of the wording in the regulations:
      (1) Marijuana has intoxicating effects and may be habit forming and addictive.
      (2) Marijuana impairs concentration, coordination, and judgment. Do not operate a vehicle or machinery under its influence.
      (3) There are health risks associated with consumption of marijuana.
      (4) For use only by adults twenty-one and older. Keep out of the reach of children.
      (5) Marijuana should not be used by women who are pregnant or breast feeding.

- **Proof of Possession for Proposed Premises**
    - Accordingly incorporate in the lease the following:
        - An acknowledgment from the landlord/lessor that the premises will be used as a marijuana establishment, and
        - A disclaimer that the landlord/lessor may not take possession of or remove marijuana from the premises, and that AMCO will be contacted in the event that this is necessary.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis, Occupational Licensing Examiner

Good morning, Jared,

I have reviewed the corrections that were submitted. There are further minor corrections needed:

-MJ-02:

- Diagram 1:
  - In your legend/key, please correct the wording of "Restricted area" to say, "Restricted Access Area".
  - In your legend/key, please correct the wording of "Un-restricted" to say, "Licensed, but not restricted" (My apologies, previously I advised you to call that area unrestricted, but that is inaccurate).
  - Please remove the green outline from the retail area, but keep the green outline for the bathroom.
  - Please adjust your blue outline to include the counter in the Restricted Access Area.

-MJ-03:

- Page 4, Section 6.2: I see that you made some corrections to the warning statements; however, they are still inaccurate. The warning statements must be word for word as written in the regulations. Be very specific and make sure that they are verbatim. Most of your statements are now correct, but the others are incorrect. I have bolded, underlined, and highlighted in red the errors below. Please correct accordingly.
  - Marijuana has an intoxicating effects and may be habit forming and addictive. (remove the word, "an")
  - For use **only** by adults twenty-one and older. Keep out of **the** reach of children. (add the words, "only" and "the")

*Note- Please get your corrections in by close of business on September 28th to be considered for the October 16-17 Board Meeting. Additionally, if you are unable to get your corrections in by Friday the 28th, the following meeting is December 19-21, 2018.

Please send any documents/correspondence to marijuana.licensing@alaska.gov
