Re: Response to Incomplete Letter for transfer application for License number 10864 Fuzzy Budz Retail.

AMCO Team:

Thank you for your correspondence dated September 20, 2018. Please find the following attachments and/or statements to address your incomplete items:

- MJ-01 Page 4, section 3.5 and page 11 (continued overflow answer) has been expanded upon to address regulation 3AAC306.715(e).

- MJ-02 Corrections:
  - All diagrams have been numbered.
  - The diagram with enlarged retail did not show much more detail then the diagram one, so I removed it as it was more confusing than helpful.
  - We changed the restricted access area (RAA) designation as red hash marks instead of light pink.
  - The area labeled retail is now indicated as part of the licensed premises but is not designated as RAA.
  - The keys have been adjusted to address your concerns.
  - The area by the employee exit and entrance is enclosed by a fence and is not part of the building – for more detail please see Fuzzy Budz cultivation letter for more detail.

- MJ-03
  - Page 4 section 6.1 – has been expanded to address 3AAC 306.345(a)(3).

- MJ-17c – Jamie has signed as transferor as directed, but the definition of Transferor is "a person who makes a transfer, as of property." *See dictionary.com.* So technically, Jamie is not transferring any of his interest, he is gaining interest, not transferring it to another person or entity. Regardless, we have complied with your request.

Received by AMCO 9.27.18

- Entity Docs – attached Notice of Change of Officials stamped reverting ownership.

- Food establishment permit – attached you will find emails between DHHS and my office, where DHHS cannot issue a new or renewed food permit until the ownership through corporation commission is done (which we ended up filing but it wasn't recorded yet and then we had to undo it per your incomplete letter, so we have to file for new food permit AFTER MCB approves ownership change). I have attached emails from DHHS confirming both Fuzzy Budz retail and AK Green Light retail have temporary 2018 approval and need to take action after MCB approval to obtain permanent approval.

Thank you for your consideration,

Jana D. Weltzin, Esq.
