Re: Standard Marijuana Cultivation Facility License #10747

Dear applicant,

The AMCO Office is reviewing the documents submitted for the transfer of controlling interest in the marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.** Please be sure to read the entire letter.

- **MJ-00 Application Certifications**
  - On page 3 of MJ-00, Thomas Desalvo initialed all the boxes but there is one statement that should not apply. Please re-read the statements and correct this page accordingly.

- **MJ-01 Operating Plan**
  - Page 4, 3.5: The last sentence in this box states "See the attached security plan.." but the security plan was not submitted. Please remove that sentence (unless you want it as part of the application, but is not needed).

- **MJ-02 Premises Diagram**
  - Diagram 1: please outline the bathrooms in a different color and label as 'Licensed premises but not restricted access area'.

- **MJ-04 Cultivation Supplemental**
  - Page 4, 5.2: please change the word "Cannabis" to "Cultivation" at the beginning of your answer in this box (that's what it should say, correct?).

- **MJ-09 Statement of Financial Interest**
  - Brent Miller, I believe the middle digit(s) of your social security number are incorrect on MJ-09. Please correct them.
  - Lawrence Wissing, I believe the middle digit(s) of your social security number are incorrect on MJ-09. Please correct them.

- **MJ-17c License Transfer Application**
  - On page 4, section 4: the group of people in this application (or some of them), are also licensees under a different entity for other licenses, correct? Please include all the licenses for which this group of people (or some of them), are licensees.

- **Entity Documents**
  - Murder Lake, LLC's operating agreement is missing Michael Ellenburg's signature at the end of the document.

- **Proof of Possession for Proposed Premises**
  - The lease submitted with this transfer application is to Great Northern **Cannabis**, Inc. but we need proof of possession for Great Northern **Cultivation**, Inc. HOWEVER, please note that because the current licensee must maintain right to possession of the premises at all times (3 AAC 306.015), the lease to Great Northern Cultivation, Inc. should be worded in a way that the effective date of such lease starts after the marijuana control board approves the transfer and the transfer is finalized.
  - Additionally, please make sure that the lease to Great Northern Cultivation, Inc. (the transferee) includes references of the following:
    - The premises will be used as a marijuana establishment
    - The landlord/lessor will not remove from the premises or take possession of marijuana or marijuana product, and AMCO enforcement will be contacted (usually under Default section of the lease)
  - As a side note, if there is a re-assignment of Great Northern Cannabis, Inc.'s lease to the transferee:
    - the lease will need to include the clause that the landlord/lessor will not remove from the premises or take possession of marijuana or marijuana product, and AMCO will be contacted, and
    - the re-assignment should become effective not earlier than when the marijuana control board approves the transfer and the transfer is finalized.

It is very important that you submit the above corrections and/or documents as soon as possible. AMCO staff needs adequate time to review the documents and determine if additional corrections and/or documents are necessary to complete your application. If you fail to complete this application within 90 days of the date of this notice, you must file a new application and pay a new fee, per 3 AAC 306.025(f). Additionally, there may be enforcement action against your marijuana establishment license.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
