Attachments: Outlook-1489979709.png

Application to transfer license numbers 12311, 12313, and 12315. DBA ISG INC.

For the purpose of unsatisfied liens.

Prior to this board meeting, attorney Jana Weltzin changed the officers of the entity listed on the application being delegated a license. While representing Romanowski, Weltzin filed a change with the Dept. of Corp. removing Burrows as 100% owner to Romanoski as 100% owner.

Paul Burrows whose address is 2915 Jackson Rd. Juneau AK 99801 paulyburrowsak@gmail.com is listed as the owner of the licenses on AMCO website and in all public notices. However, Burrows previous business partner Elizabeth Romanoski of Bellaluna LLC and as of April 2017, is now 100% owner of ISG, Inc. last known address 2375 Jordon Avenue, Juneau, AK 99801. Romanoski is being represented by Jana Weltzin of Anchorage AK, with an email address, Elizabethromanoski28@yahoo.com.

Purple Peace LLC was hired by Romanoski for the benefit of ISG Inc, to consult on the operation management needs of each license. Upon approval by Burrows, compensation was deferred pending project funding. Having procured the required documentation for funding, Romanoski is attempting to avoid paying this and other known creditors together with the transfer of license numbers 12311,12313, and 12315.

Please do not allow the transfer of these licenses until the lien is satisfied. This transfer is one of many planned by Weltzin for AMCO to decide.

Sincerely,

Jessie Johnson

---

Hello Jane,

Thank you for the prompt information. Has the board arrived to a conclusion on how to proceed with the ownership transfer or rather objection procedures for a delegated-pending license?

I have been contacted by another individual looking to object to the transfer from Paul Burrows to Elizabeth Romanoski. This individual informed me Elizabeth Romanoski recently received an ADDITIONAL $200,000.00 to afford the legal fees for this transfer and appeal. This is concerning and I ask for the board to consider restrictions on these licenses in the interest of the public. To date, four individuals with financial interests have contacted me seeking consulting advice. Each having their own plans to sue Elizabeth Romanoski and her legal counsel on or before licenses become operational. Supporting documents provided to Purple Peace reveal "financial interests" and damages have reached nearly $1.4 million and counting. Yet again, no operating licenses are at 5011 Short Street. Just manipulated, broke, bullied, and gaged first-time entrepreneurs; with a terribly overpaid project manager; and two heavily compensated and completely privy landlords and attorneys.

Enclosed is an IOU I have been approved to share; from one of the four individuals looking to file suit if this debt goes unpaid and unreported in the transfer application's, list of creditors.

Thank you for considering this matter of utmost importance.

Full Disclosure: Paul Burrows is a victim; was a client of Purple Peace's and remains fully committed to operating a standard marijuana cultivation without Elizabeth Romanoski, ISG Inc, Bellaluna, JDW Counsel and outside financial interests.

Overlapping emails. I see you copied her. Not sure how this objection is going to be treated yet since there are no licenses being operated, you will probably have to pursue it in court, BUT AGAIN, I am not sure.

Please follow up with us in a couple of weeks.

Thanks

Okay. Please notify Elizabeth Romanoski of your objection. The most effective way is to send us both AMCO Office and her the email objecting to the application.

Jane,

I have not notified Romanoski in this format but rather others. The debt is owed by Romanoski representing Bellaluna LLC doing business as ISG INC. The contract was initiated by Romanoski and executed by both Burrows and Romanoski for the benefit of ISG, Inc and Bellaluna LLC (one in the same). The invoice is attached.

Jessie,

Two questions for you:

I see you copied Paul Burrows in this email (I left him out of this one), did you also notify Elizabeth Romanoski of your objection? Because it is required under 3 AAC 306.065 that you notified the applicant, in this case because it is a transfer it would be Elizabeth Romanoski. If you have not, please resend your original objection email and copy her. Her email address is elizabethromanoski28@yahoo.com

Your objection states is for the purpose of unsatisfied liens.. Liens against whom?

Thank you
