Re: Standard Marijuana Cultivation Facility #16027

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 ACC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **Online Application**
  - According to the Entity Documents submitted, William Strutz is an Entity Official. I have rolled the application back to "New" status so William Strutz can be added as an Entity Official, and the Affiliates can be removed. An updated Public Notice will generate which you will need as part of your corrections outlined below.

- **MJ-00 Application Certifications**
  - Page 1: on both forms, please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.
  - On page 3 of William's form, because this application is for a standard marijuana cultivation facility, please re-read the last two statements and make corrections accordingly. As long as the statement does not apply to you, you would want to remove your initials from the second to last statement, and as long as the last statement does apply to you, you would want to initial the last statement.

- **MJ-01 Operating Plan**
  - Page 1: please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.
  - Page 4, Section 3.6: the font is too small to read and becomes blurry when the page size is increased. If preferred, you can decrease the font slightly on page 11 (but large enough font that it is legible) and include some of the wording from section 3.6 on page 11, and then increase the font size in section 3.6. Please correct accordingly.

- **MJ-02 Premises Diagram**
  - Page 1: please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.
  - The diagrams you submitted of the proposed cultivation facility need some work, please show the following:
    - On diagrams 1, 2, and 5 (page 2), outline/shade the entire perimeter/area of the proposed licensed premises AND restricted access area (use separate colors and labels, and provide a legend/key).
    - On diagrams 1, 2, and 5 (page 2), much of the wording/labels are too small/blurry to read. Please either increase the size of your diagrams or increase the font size of the wording/labels so that it is legible.
    - On diagrams 1, 2, and 5, the dimensions are too small/blurry to read. Please correct accordingly.
    - On diagram 1, please include the storage area by the stairs like how it is labeled on diagram 2.
    - On diagrams 2 and 5 (page 2) where it shows the storage area in the non-licensed premises (at least I think that is what it says, it is quite blurry and difficult to read), as long as this area is not for marijuana storage, please clarify by saying, non-marijuana storage.

- **MJ-04 Cultivation Supplemental**
  - Page 1: please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.
  - Page 2, Section 2.1: the font is too small to read and becomes blurry when the page size is increased. Please increase the font size to use the entire box, so that it is legible.

- **MJ-07 Public Notice Posting Affidavit**
  - Please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.
  - Once you have updated your online application as mentioned above, under Online Application, you will need to post the updated Public Notice at both, the location of the proposed premises and another conspicuous location for five days.
  - I will need a new MJ-07 completed and signed in front of a notary.

- **MJ-08 Local Government Notice Affidavit**
  - Please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.
  - Once you have updated your online application as mentioned above, under Online Application, you will need to re-notify the local government by submitting to them the updated Public Notice.
  - I will need a new MJ-08 completed and signed in front of a notary.

- **MJ-09 Statement of Financial Interest**
  - Page 1: on both forms, please complete the Doing Business As portion under Section 1 to say, Ohlson Mountain Gold, LLC, since that is what your online application says.

- **Proof of Possession for Proposed Premises**

- Please accordingly incorporate in the lease the following:
  - A disclaimer that the landlord/lessor may not take possession of or remove marijuana from the premises, and that AMCO will be contacted in the event that this is necessary.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

-MJ-01

- Page 4, Section 3.8: on your corrected page, please read the statement and then sign your initials in the box.

-**Proof of Possession for Proposed Premises**

- On your Addendum to Commercial Lease Agreement: under Subject Location, please correct the address to say, 61255, instead of 6122.
