Re: Standard Marijuana Cultivation Facility License #17873

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 ACC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01 Operating Plan**
  - Page 4, 3.5: please add to your answer in this box and describe how you will comply with 3 AAC 306.715(e), please read it, it is a fairly new subsection of the regulation.

- **MJ-02 Premises Diagram**
  - Diagram 1:
    - Since the entire building is licensed premises and restricted access area, please label your red outline "Licensed premises and restricted access area" (the letter "R" in each room, believe it or not, makes it more confusing). Remove the "R"s and get rid of the label.
    - BUT, please use a different color and outline/shade the bathroom and label it licensed but not restricted access area.

- **MJ-04 Cultivation Supplemental**
  - Page 3: there is a new version of MJ-04 on our website because we added a section for pesticides. I am not requesting for you to fill out the entire application, but you do need to take page 3 of this new form and basically transfer the information from you old one to this new page. The new section is 4.6 which needs to be filled out with the requested information, and of course, you can attach separate pages as continuation. Here is the link to the form: https://www.commerce.alaska.gov/web/Portals/9/pub/MCB/MarijuanaApplication/MJ-04.pdf .

- Page 5: you initialed that you attached documentation of odor control exemption, but this contradicts with the box you checked immediately above. Please correct.
- Page 7: there is a continued response that you state is for 8.1 and 8.2, but your continued response is for wholesale packages (meaning continued response to 8.2). I think "8.1" needs to be removed. Please let me know if I am misunderstanding this.
- From your sample labels, I cannot tell which one is for the retail and which one is for the wholesale. Furthermore, I do not see the requirements of labeling marijuana for wholesale packages required under 3 AAC 306.475(e).

- **MJ-08 Local Government Notice Affidavit**
  - Because it is now required (and it has been for several months) that an applicant notifies each local government with jurisdiction over the licensed premises, it is necessary that you also notify the Matanuska-Susitna Borough of your application by providing a copy of the Public Notice for this application. You will need to fill out a new MJ-08 certifying you have done that. You do not need to re-notify the city of Houston, I will put the two MJ-08 together.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
