- **MJ-01 Operating Plan**
  - Page 4, 3.5: Just wanted to let you know that the alarm proposal you attached to your MJ-01 will not be included as part of the application since it details your alarms. I removed it from MJ-01 but I do not need additional information.

- **MJ-02 Premises Diagram**
  - On your Plan Legend that is shown on all your diagrams, please write right next to the pink/redish ...and licensed premises. In other words, your pink/redish line should also be labeled as licensed premises.

- **MJ-04 Cultivation Supplemental**
  - You initialed the box that states you received an odor control exemption from your local government, but immediately above that you state 'No'. Please correct this accordingly.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.
