Re: Standard Marijuana Cultivation Facility License #23902

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01 Operating Plan**
  - Page 4, Section 3.5:
    - The bottom of the fourth paragraph in your response is cut off. Please retype your response so that it all appears, or use additional space on Page 11 as needed.
  - Section 3.6:
    - Your response cuts off on the bottom, and it doesn't look like the continued response on Page 11 contains the cut off line. Please retype your response.
  - Page 10, Section 9.2:
    - Please retype your response.
- **MJ-02 Premises Diagram**
  - Diagram 1:
    - Please label the location of the surveillance room.
  - Diagram 4:
    - In addition to this page, can you provide an additional Diagram 4 that is zoomed further out so that the nearest roads are visible?
- **MJ-04 Cultivation Supplemental**
  - Page 2, Section 4.1:
    - You provide the calculations for the total area under cultivation, but also include what that total area is.
  - Page 5, Section 6.1:

        - A Yes/No response is needed in this section. Only sign your initials in the box below if you answer "Yes" and have odor control exemption documentation.
    - Page 6, Sections 8.1 and 8.2:
        - Sample labels that show the information required under 3 AAC 306.475 are required with each of these sections, for marijuana packaged for resale without repackaging by a retail facility, and for wholesale packages respectively.
- **MJ-08 Local Government Notice Affidavit**
    - Your MJ-08 was signed and notarized before notice was given to the local governments, and your email indicated that notice was given by copying Lonnie McKechnie, Alex Strawn, and Margaraet Billinger in the email that you submitted your application with. Notice to your local government and community council is given by sending them a copy of your Public Notice that was generated when you initiated the application through MyAlaska. Please provide this document to the Mat-Su Borough and Big Lake Community Council, and complete a new MJ-08.
- **Applicant's Alaska Residency**
    - I could not verify Casey Wilkins' Alaska residency. If you intend to apply for this year's Permanent Fund Dividend, please do so as soon as possible and let me know when you are able to verify that you are eligible. Otherwise, let me know if you do not plan to apply for this year's PFD.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

I have reviewed your application for a marijuana establishment, but at this time your application is considered incomplete. See the attached notice regarding corrections, additional documents, and/or resubmittals that need to be addressed in your application.

Please make sure to read the entire notice. If the submitted corrections for your application are inadequate to deem your application complete, or your application is still incomplete after ninety (90) days from the date of this notice, your application will be returned to you in accordance with 3 AAC 306.025(e)(1) and 3 AAC 306.025(f). Should you wish to continue pursuing licensure, it would be necessary to file a new application and pay new fees.

Ninety-day Due Date: 6/4/2020

Let us know if you require copies of any submitted documents, and feel free to call or email if you need clarification on any items in the Incomplete Notice. Correspondence should be sent to marijuana.licensing@alaska.gov.

Hello,

I finished reviewing your documents, and MJ-02 is now complete. I was also able to verify your Alaska residency for 2020, so that item on the Incomplete Notice is also resolved.

On Form MJ-01 Operating Plan, I don't see that any changes were made to Page 4, Sections 3.5 or 3.6. The response still cuts off, so you will probably need to use copies of Page 11 for additional space.

On Form MJ-04 Cultivation Supplemental, no corrections were made to Page 5.

As noted below, a new MJ-08 is also needed.

Sincerely,

That's unusual. If the information on the pictures is legible, I might be able to work with it. If you take a picture, just try to line the page up as good as possible.

Since today is the due date for items being deemed complete for the April 2020 meeting, I'm not sure what my availability today is going to look like. In the event that you submit your corrections today but I'm not able to review them until Monday, I would still schedule your application for the April agenda if all of the documents are complete. However, if I did need to request additional corrections on Monday, I would not be able to schedule your application on that agenda.

Hi TJ-

I think the cutting off is a software issue. I can see the entire document when using my software at home and on my phone, but using another computer, I see the same anomaly as you.

Can I send you the un-cut off documents as a picture?

I will send you the MJ08 document. Sorry for forgetting this previously.

If I get these to you by 1 Pm, will you have time to review them today?

Casey
