License # 20716 Please help us, this aplacation by Patricia Pfiester also known in Port Alexander as Pepper, is fake! She's being used by Jake Markey and Joe Markey they are the true owners and have been intimidating those who have been getting in thier way , with verbal and possible physical harm , I have small children and and no longer can say nothing, Jake Markey has history with the law in other states and multiple civil suits as for Joe Markey I do not know, Patrica Pfiester has complained that Jake Markey has made her pay all the expenses when they go to Juneau she's totally different when he's around and has her calling him son but dont be surprised if she defends him especially if he's around. Jake Markey has asked are gotten Patricia Pfiester to take a reverse mortgage this someone that she has known a year , I cannot help to think she is way over her head and in trouble and does not see it are can't escape I have talked to a lot of the town people and most want them out and do not want this in our town being run by these people so I'm asking you to investigate and or deny this application ,Please Help Us .
