To All that this Concerns,

The attached PDFs are to serve as formal objection to each of the new license applications located at street address 524 E 48th Avenue, Anchorage 99503. The PDFs also reference a photo of the premises that is also attached to this email.

Thank you.

Seth Molen

FORMAL OBJECTION TO NEW MARIJUANA APPLICATION
APPLICATION LOCATION ADDRESS: 524 e 48TH Ave Anchorage 99503

License Number 21551
Standard Marijuana Cultivation Facility

- Enlighten Alaska Greenery, LLC
- Jane Stinson
- Evan Livingston
- Leah Livingston

To Whom it Concerns,

This letter is to serve as a formal objection to licenses listed above. This formal objection is based on the following criteria.

The building located at this address (524 E 48th Avenue Anchorage Alaska 99501) is currently being leased by The Turnion Corporation, an Alaskan Corporation. The current tenant, The Turnion Corporation, is currently in litigation regarding their illegal lockout that occurred on April 3 and April 4, 2019. The Turnion Corporation subleases the premises to Turnagain Horticulture Company whose license is in an Active Pending Inspection status. My objection stands until the Court determines the legality of said lockout.

In addition, there has not been the following of proper and required posting requirements on behalf of the applicant(s) listed above. On the evening of May 10, 2019, the landlord of the building boarded up the windows that are located on the north side of the building. In doing so, he has covered the public notices and prohibited the public from viewing them. *Photo attached.*

As of May 15, 2019 the notices were still being covered and are unable to be viewed by the public.

Thank you.

Regards,

Seth Molen
The Turnion Corporation
President
