Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

What is this form?

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.

Section 3 – Proposed Product Details

Enter information for the marijuana product for which you are seeking MCB approval.

Product Description: Details must include the color, shape, and texture.	A liquid solution in light green/gold or other muted color, thin viscosity. It will take the shape of whatever container is holding it.
Ingredients:	Water, food grade surfactant/emulsifier, CO2 extracted cannabis concentrate (from another licensed manufacturer), citric acid, organic and/or natural flavors/extracts. Please see attached sheet for all proposed flavors.
Standard Production Procedure and Detailed Manufacturing Process:	Lady Gray will purchase fast acting water soluble wholesale cannabis emulsion from a licensed Alaska product manufacturing facility. Lady Gray shall either package the oil into retail sale packages, or add natural/organic flavor extracts in the oil and mix and before homogenize the oil and extracts together. Then the mixture will be packaged in sterilized the bottles, labeled and submitted for testing which is very similar to our tincture process already approved and in process for the last year.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.
