Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

What is this form?

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.

Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

Licensee:	Herban Extracts, llc	**MJ License #:**	14432

Form MJ-16: Proposed New Marijuana Product

Section 3 – Proposed Product Details

Enter information for the marijuana product for which you are seeking MCB approval.

Product Description: Details must include the color, shape, and texture.	This is food grade alcohol that will be infused with CO2 cannabis oil. It will be a liquid with very low viscosity ranging in color from clear to light yellow. This will be used as an in-house product ingredient or a wholesale product. Texture will be liquid.
Ingredients:	Food grade ethanol, CO2 extracted cannabis concentrate*. *CO2 extracted cannabis concentrate is an approved product.
Standard Production Procedure and Detailed Manufacturing Process:	Food grade ethanol and CO2 extracted cannabis concentrate will be mixed together. If sold as wholesale to other product manufacturers, it will be transferred into our wholesale jars.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.
