AMCO has received a complete application for a marijuana establishment within your jurisdiction. This notice is required under 3 AAC 306.045(c)(2). Application documents will be sent to you separately via ZendTo.

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant. If the protest is a "conditional protest" as defined in 3 AAC 306.060(d)(2) and the application otherwise meets all the criteria set forth by the regulations, the Marijuana Control Board may approve the transfer, but require the applicant to show to the board's satisfaction that the requirements of the local government have been met before the director issues the license.

3 AAC 306.010, 3 AAC 306.080, and 3 AAC 306.250 provide that the board will deny an application for a marijuana establishment license if the board finds that the license is prohibited under AS 17.38 as a result of an ordinance or election conducted under AS 17.38 and 3 AAC 306.200, or when a local

government protests an application on the grounds that the proposed licensed premises are located in a place within the local government where a local zoning ordinance prohibits the marijuana establishment, unless the local government has approved a variance from the local ordinance.

This application will be in front of the Marijuana Control Board at our October 28-29, 2020 meeting.

Sincerely,

Glen Klinkhart, Interim Director

Re: Application Status for License #10043

Dear Applicant:

AMCO has received your transfer application of a limited marijuana cultivation facility. Our staff has reviewed your application after receiving your application and required fees. Your application documents appear to be in order, and it has been determined that your application is complete for purposes of 3 AAC 306.025(d).

Your application will now be sent electronically, in its entirety, to your local government, your community council if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough, and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest the issuance of your license or waive protest.

We must receive all necessary approvals such as local government, Department of Environmental Conservation, Fire Marshal, Department of Revenue, and Department of Labor before the transfer to the new ownership can be finalized. We must also wait for the criminal history report for each individual licensee who submitted fingerprint card(s).

Your application may be considered by the board while some approvals are still pending. However, the transfer will not be finalized or a license issued for the new ownership until all necessary approvals are received and a preliminary inspection of your premises by AMCO enforcement staff is completed.

Your application will be scheduled for the October 28-29, 2020 board meeting for consideration by the Marijuana Control Board. The meeting agenda will be posted on our website 7 days before the board meeting. **Your appearance at the meeting, either in-person or telephonic, is mandatory.** The telephone number for the meeting is 1-800-315-6338 code 69176#. Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Sincerely,

Glen Klinkhart, Interim Director
