Re: Limited Marijuana Cultivation Facility License #10043

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of ownership for the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-19 Creditors Affidavit**
  - Section 1: Please provide the Federal Tax ID #/EIN.

- **Proof of Possession for Proposed Premises**
  - Because the Transfer has not been effectuated, and essentially, the current licensee should still have legal right of possession to the premises, please correct the term date on the lease. If preferred, the lease can say something along the lines of, "effective not earlier than the effectuation of the transfer.", or something similar.

- **Alaska Residency**
  - I am not able to verify Alaska residency for Nia Liljedahl at this time. If you have documentation showing eligibility for the 2020 Permanent Fund Dividend, please submit it via email. If you have not and do not intend to apply for the PFD, please let us know.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis
