Form MJ-15: Operating Plan Change

What is this form?

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type. **The required $250 change fee may be made by check, cashier's check, or money order.**

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. **All fields must be completed of any page for which you are requesting changes** – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

The form(s) that I am requesting board approval to change is:

- ☐ **Form MJ-01:** Marijuana Establishment Operating Plan
- ☐ **Form MJ-03:** Retail Marijuana Store Operating Plan Supplemental
- ☐ **Form MJ-04:** Marijuana Cultivation Facility Operating Plan Supplemental
- ☑ **Form MJ-05:** Marijuana Product Manufacturing Facility Operating Plan Supplemental
- ☐ **Form MJ-06:** Marijuana Testing Facility Operating Plan Supplemental

This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.

Section 6 – Proposed Marijuana Concentrates and Marijuana Products

Review the requirements under 3 AAC 306.520, 3 AAC 306.525, and 3 AAC 306.560.
Attach a completed copy of this page for each proposed marijuana concentrate or marijuana product.

Product Name:	Craft Mints		
Product Type:	Edible		
Perishable: Yes/No	yes	**Shelf Life:** If perishable.	6-8 months

Product Description: Details must include the color, shape, and texture.	Craft Mints will be approx ½" squares by ¼" in height. They will come in a white based color with hues of other various muted colors (blue, red, green, orange, yellow, purple, brown, pink). The various muted colors will come from the different flavorings that will be added. No additional coloring will be added as to not to increase the visual appeal (results in muted colored can dies). The texture of the Craft Mints will be hard with a powdery sugar coating. This product will consist of ten (10) units per package with each Craft Mint containing five (5) mg of THC.
Ingredients: This box is not applicable to marijuana concentrates.	sugar, corn syrup, water, palm oil, gum tragacanth, egg white, titanium dioxide, cellulose gum, natural & artificial flavors, modified corn starch, potassium sorbet, acetic acid, confectioner's sugar, [INSERT FLAVOR HERE], cannabis concentrate (our own approved concentrate - Sugar Wax, Shatter, crumble, or Delights Oil). Or equivalent thereof
Standard Production Procedure and Detailed Manufacturing Process:	Evenly mix Marijuana (oil / concentrate) with specific amount of flavoring until homogenized. Take homogenized substance and mix with specific amount of gum paste (Sugar, water, white corn syrup, tylose, shortener, gelatin) by lining pan with powdered confectioner's sugar and kneeding the oil / flavor into the paste. Amount of each ingredients fluctuates depending on the concentration level of the cannabis oil used. Next, Roll out the dough/paste using a rolling pin, adding powdered confectioner's sugar to prevent the paste from sticking. Then use the ½"cut out to cut the individual hard candies. Sprinkle powdered confectioner's sugar on the cut candies to prevent them from sticking together. Place on new pan, cover lightly, and leave to air dry.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.	 *flavoring may present muted coloring, but no additional coloring will be added
