Re: Standard Marijuana Cultivation Facility License #13257

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of controlling interest for the license referenced above. This letter is notice under 3 ACC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-02 Premises Diagram**
  - Diagram 1: I see that the entire facility is a Restricted Access Area and licensed premises; however, please outline the entire perimeter of the licensed premises and restricted access area and label it.
  - It seems as though the true north arrows on Diagram 1 and Diagram 2 & 3 are conflicting. Please fix the true north arrow on whichever diagram needs to be fixed, possibly Diagram 2 & 3.

- **MJ-04 Cultivation Supplemental**
  - There is an updated version of form MJ-04 on our website at the following link: https://www.commerce.alaska.gov/web/Portals/9/pub/MCB/MarijuanaApplication/MJ-04.pdf. Please submit page 3 of the updated MJ-04 to replace page 3 of your current MJ-04.
    - Additionally, in Section 4.7, please make sure to describe the gases, including carbon dioxide management, to be used at the marijuana cultivation facility.
  - Page 6, Section 8.1: please address 3 AAC 306.470(b).
    - Additionally, please provide the warning statements verbatim as written in the regulations.

- **MJ-19 Creditors Affidavit**
  - In Section 1, please provide the Federal Tax ID #/EIN.
  - In Section 2, as long as there are no debts or taxes owed by the business, please write "None", as opposed to "N/A".

- **Publisher's Affidavit**
  - Not all of the dates of publication match; for example, the newspaper clipping says September 5, 2018, while the affidavit says September 9, 2018. Please submit a publisher's affidavit in which all of the dates match.
  - Because the incorrect Regulatory Reference was used (3 AAC 306.400(a)(2) instead of 3 AAC 306.400(a)(1)), you will need to do a one-time correction advertisement. Please advertise a one-time correction ad, then, please submit a new Publisher's Affidavit with a copy of the newspaper clipping.

- **Proof of Possession for Proposed Premises**
  - FYI- for now, this lease is sufficient; however, in the future, the lease will need to be signed by Edith Von Weltin before the transfer can be effectuated.

- **Alaska Residency**
  - FYI- I have forwarded your MJ-18 on to our Enforcement Unit for review.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Good afternoon,

I have reviewed the corrections and there are further corrections/clarification needed:

- **MJ-02: Premises Diagram**
  - I am waiting on the corrections from the MJ-14 to use for Diagram 1 for this Transfer Application. Please submit the requested corrections for the MJ-14 as soon as possible.

- **Publisher's Affidavit**
  - It seems to me that the corrected publisher's affidavit was not submitted. Please submit the corrected publisher's affidavit.

- **Alaska Residency**
  - Edith, are you going to apply for the Permanent Fund Dividend this year? If so, is there any way that you can apply now, and then update me? If you are truly not going to apply, then I will need a new MJ-18 from you.

*Note- As a reminder, the 90-day deadline for this application to be deemed complete is January 31, 2019.

Please direct any correspondence to marijuana.licensing@alaska.gov
