Agenda Item 7: PDMP report by Lisa Sherrell

Lisa Sherrell program manager for the PDMP led the discussion. They are still working on auto compliance notifications. Zero reporting-Providers need to report in Aware daily even if they didn't dispense that day. Providers can't prescribe until they have their PDMP license is issued. PDMP will send out a follow up letter to APRNs for direct dispensing. They will also develop a plan to follow up with delinquent prescribers. Chair Danette Schloeder ask how to address the noncompliant providers. This will have to be readdressed by the board and they will have to come up with a decision on how to handle.

PDMP would like to do more outreach and are willing to write an article for the newsletters published by the different organization such as APRN Alliance and ANAA.

It was recommended that a time is set at the May meeting for the board to go through the PDMP so that

have a better understanding of the PDMP / Aware process.

Lunch break 11:46a.m.

Return 1:00p.m.

Agenda Item 8: Licensing report for Nursing and Nurse Aide

4 programs have fallen below 80 percent, but there is still time to turn the numbers around. Clinicals are still hard with COVID, but places are opening up and programs have worked hard to find ways for applicants to get their clinical hours.

Reviewed the Nursing report-no questions from the board.

Agenda Item 9: Provisional approval for Bartlett Hospital CNA training program

On a motion made by Shannon Connelly seconded by Julie Tisdale and carried with 5 Ayes it was,

RESOLVED the Board of Nursing in the State of Alaska approve Bartlett Hospital CNA training program be given provisional approval which allows them to conduct training until the board's final decision on the application for approval.

Agenda Item 11: Medication course of LTC

Heidi Hamilton, Pioneer Home Assisted living offered that they will review the course yearly and check on any changes needed. They will come to the Board every 2 years for review and approval.

They will update the course and present it to the Board at the May meeting.

Agenda Item 12: CNA regulation discussion to LTC faculty requirement 12 AAC. 44.8

Regulation specialist Jun Maiquis suggested defining long-term care setting as licensed. He will run it by legal and will present it at the next meeting.

Agenda Item 13 Division report

Sara Chambers, Division Report, Legislative Session, NLC

Director Sara Chambers went over with the board the current financial report as well as a look back over the last several years. This will help the Division to determine if fee increases or decreases are necessary. Director Chambers also discussed the line series and the different areas of revenue costs they are applied.

The next topic discussed was the confirmations of the board member and the law suit filed by the Legislators. The names have all been put forward to the legislature, so all boards are operating within their scope and there's no debate about that so there's no concern or need to worry going forward and. The

Department of law disagrees with the legislature's premise and is defending the state and we'll just keep the board updated.

Director Chambers informed the board about the Federal Prep Act that enacted allowing any nurse any physician, who has expired, or lapsed their license within the last five years to administer vaccines and any state if they were authorized as a nurse whether it's an LPN, RN or APRN.

Last discussion was on the NLC bill that was introduced in the Senate that was filed by Representative Thompson. The made motion to help support bills SB67 and HB14.

On a motion made by Catherine Hample, seconded by Lena Lafferty and carried by 5 Ayes, it was **Resolved** to provide support for the NLC coming to Alaska to promote nursing by having a letter of support sent to the Legislature for SB67 and HB14.

Chair Danette Schloeder read the following statement into the record to address the concern as to whether nurses can administer vaccines without an order.

It is the opinion of the board that RNs and LPNs can administer vaccines without a formally delegated relationship from an APRN, physician, pharmacist, or other provider authorized to order and dispense vaccines. As with any vaccine, no provider order is needed to administer the COVID-19 vaccine to an individual. The Board of Nursing recommends all clinics comply with standards established by the Alaska Division of Public Health and that vaccinations occur in association with a COVID-19 vaccination effort by a federal, State, local, Tribal, or territorial authority or by an authorized institution in the State in which the COVID-19 vaccine covered countermeasure is administered. If a nurse is unsure about the authority under which the vaccine was ordered or administered, the nurse should consult with the clinic's supervising medical provider or contact the Alaska Division of Public Health.

There was a Call for Vote of Agreement by Chair Danette Schloeder, which was carried by 5 Ayes.

On a motion made by Chair Danette Schloeder, seconded by Lena Lafferty and carried by 5 Ayes it was Resolved the Alaska BON present to the Legislature changing AAC 08.68.111(a) deleting the phrase "who holds, at a minimum, a master's degree in nursing and" and seek this change this Legislative session.

Agenda Item 14: Military Education

On a motion made by Lena Lafferty, seconded by Julie Tisdale and carried by 5 Ayes, it was **Resolved** that a work group will be created by Lena Lafferty to analyze NCSBN guild lines with central regulation with regards to AS 08.01.064 military education, training and service credit for military medical LPN education be accepted as a prerequisite to challenge the LPN test and that it will be put into regulation.

Lena Lafferty the Board member lead for the subcommittee will reach out to Board staff to insure all meeting are public noticed. The work group will report back to the board at the May meeting.
