Re: Retail Marijuana Store Facility #17077

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **Online Application**
  - I have rolled the on-line application back to 'New' status. You need to add the unit B that your lease specifically indicates. When you resubmit your on-line application, a new Advertisement Notice template, and Public Notice should generate, you will need these for some of your corrections.

- **MJ-00 Application Certifications**
  - When you submitted your application packet, I did not notice that you submitted an old version of the application. Please complete, each of you, the new version of MJ-00 AND in the process, include the unit number on the premises address. Here is a link to the form https://www.commerce.alaska.gov/web/Portals/9/pub/MCB/MarijuanaApplication/MJ-00.pdf

- **MJ-01 Operating Plan**
  - Page 1: on the premises address section, please write/enter the unit number.
  - Page 4, 3.5: re-review 3 AAC 306.715(e) and add to your answer describing how you will comply with that regulation.

- **MJ-02 Premises Diagram (you have decent diagrams, just tiny work needed)**
  - Page 1: on the premises address section, please write/enter the unit number.
  - Diagram 1:
    - Assuming that this diagram also represents legal right to possession (or diagram 2, not included with your application), will you please title this Diagram 1&2, AND

label the purple outline as Licensed Premises and Legal Right to Possession. AGAIN, I am only assuming here, let me know if I am wrong.

- On a different piece of paper (or it can be on the diagrams themselves), please answer the following questions:
  - Who owns the vacant space downstairs?
  - Is this downstairs space accessible through the proposed retail marijuana store?
  - Does this downstairs space have a separate entrance?

- **MJ-03 Retail Supplemental**
  - Page 1: on the premises address section, please write/enter the unit number.
  - Page 5, 8.1: please add to your answer and describe how you will store, and manage the marijuana waste during the three-day waiting period **before** rendering the marijuana waste unusable.

- **MJ-07 Public Notice Posting Affidavit**
  - Post the updated Public Notice, which by now should have the unit number, at both the proposed location and Nome City Hall for five days.
  - You will need to complete a brand new MJ-07 and submit it to me.

- **MJ-08 Local Government Notice Affidavit**
  - Re-notify the local government by providing a copy of the updated Public Notice which by now should have the unit number.
  - You will need to complete a brand new MJ-08 and submit to me.

- **MJ-09 Statement of Financial Interest**
  - When you submitted your application packet, I did not notice that you submitted an old version of the application. Please complete, each of you, the new version of MJ-09 AND in the process, include the unit number on the premises address. Here is a link to the form https://www.commerce.alaska.gov/web/Portals/9/pub/MCB/MarijuanaApplication/MJ-09.pdf

- **Publisher's Affidavit**
  - Please run a one-time (one week only) correction ad that includes the unit number. Use the Advertisement Notice template from your myAlaska if necessary to give to newspaper company.
  - I will need the Affidavit of Publication along with a copy of the ad.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Jane Sawyer, Occupational Licensing Examiner

Hi Gary,
I am following up on corrections received on 3.1&4.19, the application is still incomplete. This email does not extend the 90-day deadline to get your application in complete and accurate, the deadline is 5.14.19. However, and I cannot stress this enough, your application is subject to get returned to you altogether (and start over including fees) if you do not submit a complete and accurate application the second time around and within the 90-day deadline.

- MJ-01, page 4, 3.5: On this page I attached to this email, which is the page I ask for you to add to on my original incomplete notice to you, if you read your very last paragraph *"In the event of an unauthorized breach.....or as reasonably practical"* the place of the highlighted words in the sentence sort of changed the meaning, or the intent, if you will, of the regulation. Can you please re-read 3 AAC 306.715(e) and correct this very section accordingly.

If I am misreading your sentence or if you have any questions, please call me.
Respectfully,
