Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

What is this form?

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.

Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

Form MJ-16: Proposed New Marijuana Product

Section 3 – Proposed Product Details

Enter information for the marijuana product for which you are seeking MCB approval.

Product Description: Details must include the color, shape, and texture.	Product can appear dark red to light yellow in color and may have a shape and texture resembling something like wet/oily granulated sugar or applesauce.
Ingredients:	Pure ethanol, cannabis fiber (trim, pre-mature buds, or mature buds).
Standard Production Procedure and Detailed Manufacturing Process:	Marijuana biomass will be extracted with ethanol. The ethanol will be separated from the plant material, filtered to remove sediment, and then evaporated/ recycled via rotary evaporation. The resulting oil will be transferred to a vacuum oven and heated under vacuum until the desired texture/consistency is obtained.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.
