Re: Retail Marijuana Store #19616

Dear Ms. Sawyer,

I have received and reviewed the "corrections letter" propounded upon our client/applicant Robert Kaleak, member/manager, Nangiaqtuuvik, LLC dba Buds Below Zero and have remediated the deficiencies outlines, therein. I have responded to each request, in turn, below, and attached all requested supplements, corrections, and affidavits.

- MJ-01 Operating Plan: Please find attached Logo.

- MJ-02 Premises Diagram: Please find amended and revised MJ-02 with attachments, attached.
    - Diagram 1: Perimeter of licensed premises outlined in green and labeled as such. Additional markup to indicate layout of kitchen and retail area. Additional labeling added to indicate retail display and counter space as such.
    - Diagram 2: Diagram has been updated to reflect utility room access. The utility room can be accessed through coatroom or through the kitchen. Diagram 2 has also been amended with additional labeling in the back two rooms to indicate their intended purpose(s). One room is being reserved for a future limited cultivation license and the other room is intended to serve as living/respite quarters for management.
    - Diagram 3: Diagram has been amended to include a concise, written explanation, color coding, and key demonstrating that this is currently a single story house which the applicant intends to convert to a retail marijuana store after receiving approval from AMCO and local government. Living/resting/respite space in one bedroom is reserved for licensee or another on-site manager, as illustrated on the attached and amended Diagram 3.

Received by AMCO 4.8.19

- MJ-03 Retail Supplemental: Please find corrected MJ-03 attached. Specifically, Page 3, 5.1 corrected as directed; Yes, that was a mistake.
- MJ-07 Public Notice Posting Affidavit: Please find new MJ-07 attached
- MJ-08 Local Government Notice: Please find new MJ-08 attached. North Slope borough had been notified in January, but was left off of MJ-08 by mistake. Re-notice to City Officials sent today.
- Publisher's Affidavit: Please find new publishers affidavit and copies of ads/tear sheets attached.

I believe I have addressed each of the deficiencies in the application for LIC# 19616, Buds Below Zero. Please do not hesitate to let me know if there are any upload/download/rendering/clarity issues with any of the aforementioned documents or attachments, or deficiencies remaining, therein.

Thanks,
