> I object in approving this license. There is a Bahai Faith Church behind the address provided 4326 Laura Madison and on the other block there is a Barrow Early Learning Center for infants up to the age of 2 within 100 feet of the vicinity.
>
> There is also not enough adequate parking for the business which happens to be on one of the busiest streets in Utqiagvik. The house is currently leased to North Slope Borough School District which also houses School District employees. The address should also include the spouses name of Robert Kaleak.

> Does Robert Kaleak have any business experience to operate such a business? Does he have the marijuana knowledge for a dispensary? I would think for anyone to own a business like this the individual needs to know how to own a business or have some type of business experience.
