Re: Marijuana Product Manufacturing Facility #20532

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-05 Manufacturing Supplemental**
  - Page 4, 5.3: your initials in this box contradict your answer to 5.2. Will the marijuana product manufacturing facility be performing in-house testing under 3 AAC 306.990(b)(20) yes or no? Correct these accordingly, and if you are, then you need to also depict it on your diagram.
  - List of the products you submitted with this application, just FYI, I don't need anything from you:
    - Alaska Coastal Candies
    - Anchor Mints
    - Dank Star Distillate
    - Dank Star Rosin

- **Entity Documents**
  - Just FYI: Thank you for the Notice of Change of Officials, it will be sufficient to deem the application complete when appropriate, but it will be necessary that Division of Corporations is updated by the time and if the application/license gets to the Active-Pending Inspection status.

- **Proof of Possession for Proposed Premises**
  - Please re-scan the lease you sent with this application. I was able to read it but it's a little faded and there are smudged sections.

- **Residency**

- James, will you be applying for the Permanent Fund Dividend this year? If you are, please apply immediately—respectfully—then let me know. If you truly are not going to apply for PFD, then also let me know. I need to know either way.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
