Re: Standard Marijuana Cultivation Facility License #10025

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of ownership for the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-04 Cultivation Supplemental**
  - Please refer to the requested clarification below under, MJ-17d Unaltered Operating Plan and/or Premises Diagram Affidavit.

- **MJ-07 Public Notice Posting Affidavit**
  - Because the public notice is the MJ-17c, and the MJ-17c was signed and notarized on March 28, 2019 (in the middle of the posting period), a true copy of the application (signed and notarized) could not have been posted. Please repost the application at both, the location of the proposed premises and another conspicuous location for ten days, and then submit a new MJ-07 completed and signed in front of a notary after the posting period has ended.

- **MJ-08 Local Government Notice Affidavit**
  - Because the public notice is the MJ-17c, and the MJ-17c was signed and notarized on March 28, 2019 (after the local government was notified on March 21, 2019), a true copy of the application (signed and notarized) could not have been provide to the local government. Please re-notify the Kenai Peninsula Borough by submitting to them the application, and then submit a new MJ-08 completed and signed in front of a notary.

- **Proof of Possession for Proposed Premises**
  - Because the Transfer has not been effectuated, and essentially, the current owners should still have legal right of possession to the premises, please correct the beginning term date on the lease.
  - Additionally, I see that you attached a Purchase and Sale Agreement to the lease; is this something that you want included in your application packet? If so, this is fine; if not, please let me know if it should be removed from your lease.

- **MJ-17d Unaltered Operating Plan and/or Premises Diagram Affidavit**
  - In Section 2, you certified that there will be no changes to the operating plan for this license. Because you certified this, you are not required to submit form MJ-04 (Operating Plan Supplemental).
  - So, **either**:
    - Submit form MJ-01 (Operating Plan) to be reviewed with your MJ-04 (Operating Plan Supplemental), and remove your initials from the first certification in Section 2 of form MJ-17d; **OR**,
    - Clarify that you do not want the MJ-04 included in the application packet since you certified that there will be no changes to the operating plan for this license.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis
