MEMORANDUM

TO: Chair and Members of the Board DATE: August 29, 2019

FROM: Erika McConnell
Director, Marijuana Control Board

RE: Petrichor LLC 18493

Petrichor, LLC, a marijuana product manufacturing facility, is requesting approval of amendment(s) to two of its products. Attached is MJ-15 Operating Plan Change application, and current approved products.

Temporary approval was granted only for Bad Habit Sourz. The requested change for Oddball Infused Soda indicated a "tamper evident cap," but the board has been requiring a "child resistent" cap for infused beverages, so temporary approval was not granted.
