MEMORANDUM

TO: Chair and Members of the Board

DATE: August 29, 2019

FROM: Erika McConnell
Director, Marijuana Control Board

RE: Green Valley Enterprises #13221

Green Valley Enterprises, a standard marijuana cultivation facility, is requesting approval of amendment(s) to its operating plan supplemental. Attached is MJ-15 Operating Plan Change application, and current operating plan supplemental (MJ-04).

Special note: the licensee's changes are outlined in the Summary of Changes on MJ-15, however, because his original MJ-04 was a very old version, and his changes affected three separate sections in three pages of the new version, he was asked to fill out the new version in its entirety.
