NEW ACP Public Notice for P...
119 KB

In anticipation of the State making the address changes in their system, I have utilized the skills and software I have to modify the public notice for posting to suit your purposes. Please see attached, post the property and another conspicuous location (post office most likely unless there is another place where people on the island congregate like a store with a bulletin board)
Please let me know when and where posted so I can update the MJ-08. Hold off on notarizing that form until after the ten days have run.

Thanks,

Jessika
