RE: ACP, LLC
DBA: ACP, LLC
Applicant for Standard Marijuana Cultivation Facility License
License # 20176 Corrections

Dear Licensing Examiners,

Thank you for reviewing the documents submitted on behalf of ACP, LLC (Lic# 20176). Please find corrections attached, as follows:

MJ-00:
- Regarding page 3. Box marked in error. Wrong version initially sent in. Correct version attached.
- Regarding Member/Manager or just Member: Evidently, there was an error made in the formation of the LLC, to wit, the box identifying "managed by members" was selected instead of "managed by a manager." A certificate of correction and accompanying change of officials has been submitted to DCCED and is attached. Member/Manager is and will be the appropriate title for Ms. Pfiester.

MJ-01:
- Page 2, 3.2 amended to include visitor ratio requirement
- Page 10, 9.2 logo attached/embedded.

MJ-04:
- Page 3, 4.6- oopsie, forgot to upload the DEC list. Now attached to MJ-04
- Page 3, 4.7- answer amended to reflect entity opting out of using CO2 management

MJ-07:

The Public Notice was indeed posted on 5.6.19. Although the application was not rolled back and reinitiated until 5.7- it is not accurate that the applicant could not have had the public notice

to post. They did have the public notice on the 6th and did post on the sixth. I have attached a copy of the email I sent to them on the 6th and additionally will forward the original email so you can see what was attached. I have also attached the same attachment, which is the public notice I provided to them on the 6th. Just because there wasn't a public notice available until the 7th for download from the system, does not mean they didn't have it. As soon as the corrected address became available to me, I modified their old public notice with Adobe and provided it to them so they could post immediately, which they did. Please let me know if this is or is not acceptable at your next earliest convenience.

- MJ-09: Ms. Pfiester is the member/manager and we have updated DCCED filings-copies are attached.
- ACP, LLC's Operating Agreement is attached

Respectfully,
