Re: Retail Marijuana Store #21417

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01 Operating Plan**
  - Page 9, 9.1: Just FYI, your full business name is Cosmice SeaWeed, LLC. Your business name sign should state the full name.

- **MJ-02 Premises Diagram (you have decent diagrams, just a couple of things to address)**
  - Diagram 1&2:
    - What is in the upper level, what is it used for, is it leased by Cosmic SeaWeed, LLC? I understand is not part of the licensed premises, but it appears to only be accessible through what will potentially be the licensed premises of the retail marijuana store. I may or may not need a diagram for that upper level. Call me.
    - The Display Case you have out by the windows in the 'Retail Floor', is this for displaying marijuana? Or non-marijuana items? If it is for displaying marijuana, it can only be for displaying marijuana (it cannot be used to store, stock, or dispense marijuana for sale, it is not in the restricted access area).
  - Diagram 4:
    - In this diagram you show the blue and black outline as the 'Licensed premises', however, your Diagrams 1&2, and 2&3 do not show the deck as part of the licensed premises. So, if diagram 4 is only to show the building, then change the legend to state so. If this is not the case, then you need to fix your other diagrams. Call me if this is confusing.

- **MJ-03 Retail Supplemental**
  - Page 3, 5.1: Not sure what display cases and cabinets you are referring to in this box (the one in the retail floor or the one behind, in the restricted access area), but it is not allowed

to stock, store, or dispense for sale marijuana or marijuana product in/from the display case in the 'Retail Floor', it is not inside a restricted access area. I also mentioned this above, under bullet point of the Premises Diagram.

- Page 4, 6.1: please add to your answer in this box and describe how you will meet the exit packaging required under 3 AAC 306.345(a)(3).
- I am a little confused on a statement in this box, why would your retail store have or accept marijuana or marijuana product that do not or did not meet state testing requirements? Because it should not.

- **MJ-07 Public Notice Posting Affidavit**
  - On the MJ-07 you submitted with this application, please write the address of Two Sisters Bakery (the other conspicuous location at which you posted your Public Notice).

- **MJ-08 Local Government Notice Affidavit**
  - Provide a copy of your Public Notice to the Kenai Peninsula Borough, you only notified the City of Homer but you must notified both the City and the Borough.
  - Fill out an MJ-08 after you notify the Borough and submit it to me in your corrections packet.

- **Publisher's Affidavit**
  - Do you happen to know why the Affidavit of Publication states The Homer Tribune is published in Anchorage, and not in Homer? Please reach out to the newspaper to request that the Affidavit of Publication state the ad was published in Homer. Let me know if there is an issue with this request.

- **Entity Documents**
  - Please provide Cosmic SeaWeed's LLC Operating Agreement.

It is very important that you submit the above corrections and/or documents as soon as possible so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.
