RE: Renewal Application for Alaska Marijuana Gardens (AMG). Lic. 12125

This is the 2021-2022 license renewal application for Alaska Marijuana Gardens (AMG) a standard marijuana cultivation facility in Anchorage owned by Alaska Wild Coyote, Inc. According to our records, the owners of Alaska Wild Coyote, Inc. are Evanjelina De La Asuncion Gonzalez 36%, Armando Rolando Gonzalez 35%, and Carmen Silvia Villamides 29%.

The renewal application has not been deemed complete under 3 AAC 306.035(c) because the MJ-20 Renewal Application Certifications form for Armando Gonzalez is not complete. The boxes shown below are not initialed on the application, and Mr. Gonzalez (for his own reasons) refuses to initial them. The MJ-20 form itself states that the form must be completed before a renewal application will be considered complete.

Read each line below, and then sign your initials in the box to the right of each statement:

I certify that no person other than a licensee listed on my marijuana establishment license renewal application has a direct or indirect financial interest, as defined in 3 AAC 306.015(e)(1), in the business for which the marijuana establishment license has been issued. [ ]

I certify that I meet the residency requirement under AS 43.23 or I have submitted a residency exception affidavit (MJ-20a) along with this application. [g]

I certify that this establishment complies with any applicable health, fire, safety, or tax statute, ordinance, regulation, or other law in the state. [ ]

I certify that the license is operated in accordance with the operating plan currently approved by the Marijuana Control Board. [ ]

I certify that I am operating in compliance with the Alaska Department of Labor and Workforce Development's laws and requirements pertaining to employees. [ ]

I certify that I have not violated any restrictions pertaining to this particular license type, and that this license has not been operated in violation of a condition or restriction imposed by the Marijuana Control Board. [g]

I certify that I understand that providing a false statement on this form, the online application, or any other form provided by or to AMCO is grounds for rejection or denial of this application or revocation of any license issued. [g]

I, Armando Gonzalez, hereby waive my confidentiality rights under AS 43.05.230(a) and authorize the State of Alaska, Department of Revenue to disclose any and all tax information regarding this marijuana license to the Alcohol and Marijuana Control Office (AMCO) upon formal request as part of any official investigation as long as I hold, solely, or together with other parties, this marijuana license. [g]

As an applicant for a marijuana establishment license renewal, I declare under penalty of unsworn falsification that I have read and am familiar with AS 17.38 and 3 AAC 306, and that this application, including all accompanying schedules and statements, is true, correct, and complete. I agree to provide all information required by the Marijuana Control Board in support of this application and understand that failure to do so by any deadline given to me by AMCO staff may result in additional fees or expiration of this license.

Applicable regulation:
Under 3 AAC 306.080(b), …the board will deny an application for renewal of a marijuana establishment license…if the board finds (1) any cause listed under (a) of this section. The causes listed under 306.080(a) are:

(1) the application is not complete as required under the applicable provisions of 3 AAC 306.020 – 3 AAC 306.055, or contains any false statement of material fact;
(2) the license…would violate any restrictions in 3 AAC 306.010 or 3 AAC 306.015;
(3) the license…would violate any restrictions applicable to the type of license;
(4) the license…is prohibited…as a result of an ordinance or local option election;
(5) the applicant's actions or the operating plan does not adequately demonstrate that the applicant will comply with applicable provisions of this chapter;
(6) the license…would not be in the best interest of the public;
(7) a protest by the local government is not arbitrary, capricious, and unreasonable.

Question for the board: does the board find that failure to certify to the statements (and initialing the boxes) renders the application incomplete under any of the causes listed above?

If the board does not find the application incomplete, the application will be deemed complete by the office, and notices will be sent out to the local government and the community council and the public objection period will start. If no issues arise in response to these notices, a renewed license will be printed and mailed out under the ownership described above. This is the normal procedure.
