ALCOHOL MARIJUANA CONTROL OFFICE
STATE OF ALASKA

To: AMCO Commission,

I totally object to allowing another marijuana business in Homer, AK . I understand competition is good for any business. The locals want their weed, mite free. The stated location is totally wrong. I am sure none of your group have bothered to check this out, other than it's zoned commercial. It's located in a business area working hard to upgrade the Old Towne theme. This address is next to a very nice restaurant and also the end of a trail leading from the beautiful Islands and Ocean Visitor Center.

The whole area around the proposed store has been one of the main locations for numerous drug busts. Gravel road, isolated and next to open beach. Check with the Homer P.D. to verify. Bad idea, bad location.

Also it would be beneficial if you limited the number of marijuana shops based on population. The Alcohol commission does this and are able to maintain a quality control.

Let me go on record of totally objecting to the licensing of Cosmic SeaWeed at 261 E. Bunnell Ave., Homer ALASKA .

Hello,

Your submitted document has been logged as a public comment because you did not copy the applicant of the proposed marijuana establishment you are objecting to as required under 3 AAC 306.065. The applicant's email address is cosmicseaweed@gmail.com.

As additional information, objections are considered by the Marijuana Control Board when and if the application is deemed complete and scheduled for consideration. It is your responsibility to check back with us or check the agenda published on our website https://www.commerce.alaska.gov/web/amco/ if you wish to speak with the Marijuana Control Board about your objection.

Thanks

Update letter will be sent later. Attached picture include the trail from the Island and Ocean information center. Road view of the designated property.
Totally a pile of cars and old buses. Several trailers and shack outside buildings. The street number is painted on a post by the road. Not sure if there is any kind of mail box.
