Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01 Operating Plan**
  - Page 1, Section 1 – Establishment & Contact Information:
    - A different email address was listed as the primary contact address on this application, which is inconsistent with the main contact email indicated on your MyAlaska application for this establishment. Verify whether kpeacock1@hotmail.com or alaskangrownproducts@gmail.com is the correct contact email address.
  - Page 9, Section 9.1:
    - Please clarify your response. It isn't clear whether the three signs mentioned will all be attached to the building or not.
    - You cite 3 AAC 306.360 in your response, which was repealed in October 2018.
- **MJ-02 Premises Diagram**
  - Diagram 1, 2, and 5.1:
    - A cooler used for storing marijuana or marijuana products is described in your response in Section 5.1 of Form MJ-03. Please depict this cooler on your diagram.
  - Diagram 3 and 4:
    - The diagram provided is inadequate to meet the requirements of Diagrams 3 or 4. Please re-read the instructions for these diagrams on Page 1 of Form MJ-02.
    - The intersection depicted on this diagram does not appear to be in Bethel. Is this an intersection in Utqiagvik?
- **MJ-07 Public Notice Posting Affidavit**
  - Under 3 AAC 306.025(c), the notice requirements of 3 AAC 306.025(b) must be completed within ninety (90) days of you submitting all application forms and fees for this application. Because

more than ninety days passed, it will be necessary to re-post a copy of your Public Notice at the establishment and one other conspicuous location for **ten (10)** days. After this has finished, provide a new MJ-07.

- **MJ-08 Local Government Notice Affidavit**
  - Notice to your local government must be given within ninety days of submitting your application and all fees. Please provide your local government with a copy of your Public Notice and complete a new MJ-08.
- **Publisher's Affidavit**
  - An affidavit from the publisher of your newspaper advertisements was not provided with your application. Only copies of the advertisement were submitted.
    - The copy of the advertisement has a publication date of January 30, 2019. If your advertisements were not complete within ninety days of your submitting all of your application forms and fees, it will be necessary to re-advertise your establishment **once a week for three consecutive weeks**. After this is complete, provide an affidavit from the publisher along with a copy of the published advertisement.
- **Proof of Possession for Proposed Premises**
  - Please provide documentation that links the legal description of the premises with the physical address.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.
