Re: Marijuana Product Manufacturing Facility #23146

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-02 Premises Diagram**
  - Diagram 1:
    - Please include the Unrestricted Area for the restroom and the visitor entrance like you did on Diagram 5, and please include it in the legend/key.
    - Please label the gray shaded areas.

- **MJ-05 Manufacturing Supplemental**
  - Page 3, Section 4.2: 3 AAC 306.740 requires marijuana plant waste to be made unusable by grinding the plant waste. Your answer indicates that the marijuana will be made unusable by mixing the marijuana waste (the part where you say, "… and mixing it with at least an equal amount of…" is good, it is the first half of the sentence that needs adjusting). Please correct your answer accordingly.
  - Page 6, Section 7: In the Packaging Description field, where it says, "Each Dosed Gummy will represent one serving (5mg) clearly describing an individual serving of the product to the consumer with 10 servings equaling 50mg per package.", I am assuming where you reference 5mg and 50mg that you mean 5mg THC and 50mg THC. If so, please adjust your answer accordingly.

- **Proof of Possession for Proposed Premises**
  - Page 1 of the sublease, in the second paragraph states, "… as shown outlined in yellow in the attached Exhibit A includes all areas included in the Lease." There is an attachment from the Fairbanks North Star Borough, but it is not labeled as Exhibit A, nor is there a yellow outline. So, please either remove that statement or attach Exhibit A accordingly.

- Page 5 of the Master Lease, the middle of the page states, "SUBLET/ASSIGNMENT. The Lessee may sublet to Jessica Rhoads. Or any business owned by Jessica Rhoads." The lease must show permission to sublet to the licensee, which is Chubby Girl Confections, Inc. Please adjust accordingly.

- **Entity Documents**
  - The Bylaws and the First Meeting documents say, "Confidential" at the top of every page; however, the application is made available to the public. Please clarify why the use of the word, "Confidential" is used on these documents. If this was an oversight, and you did not intend to have these documents be confidential, then please remove the word from the documents.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis, Occupational Licensing Examiner
