The following documents must be submitted along with this application:

Proposed list of marijuana consumables, concentrates and beverages to be offered

- Plans must be clearly drawn to scale (minimum 11 x 14 inches in size) and include these items below:
- The floor plan must identify: retail sales area, restrooms, office, employee change room, storage, warewashing, janitorial and trash area. Include location of any outside equipment or facilities (dumpsters, well, septic system-if applicable).
- Provide equipment layout and specifications, clearly numbered and cross-keyed with the equipment list.

Received by AMCO 9.10.21

Elevation drawings may be requested by the Regulatory Authority.

- Identify handwashing, warewashing and/or three compartment sinks.
- Provide plumbing layout showing the sewer lines, cleanouts, floor drains, floor sinks, vents, hot and cold water lines, and direction of flow to sanitary sewer.
- Provide water heater, hand washing sink, and three-compartment sink specification sheets.
- Provide exhaust ventilation layout including location of hood and make-up air returns and ducts, if applicable.
- Lighting plan, indicating the exact foot candles for each area as required.
- Finish schedule showing floor, coved base, wall and ceilings for each area shown on the plans.

Note: A color coded flow chart may be requested by the Regulatory Authority demonstrating flow patterns for: receiving, storage, glassware (clean, soiled, cleaning, storage); trash (service area, holding, storage, disposal).
