Re: Limited Marijuana Cultivation Facility license #30154

Dear applicant,

AMCO has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-02 Premises Diagram – same as 30153. I can use one nicely corrected diagram for both** (several things in my mind on this one. We can chat on the phone if it's better for you).
  - Diagram 1, 2 & 5:
    - I cannot make out the colors, even on the monitor, of the legend and the diagram. I see four blank boxes that mean different things. Please re-color.
    - The area that is outlined in orange is for retail/cultivation shared workspace, but (proposed) licensed premises for the cultivation? Because that's the lease for or am I looking at this wrong. I cannot tell by looking at the diagram and the legend.
    - The shared workspace, I am assuming is not for packaging or activities that must take place in a restricted access area. Restricted access areas may be shared between the same licensees with individual owners being the same but only for storage (not packaging or processing that requires a restricted access area).
    - There is a "MJ Storage" room inside the orange outline, but I cannot tell whether this is restricted access area which it should be.

- **Applicant's Residency – same as 30153.**
  - This question is for each of you, Lloyd and Aaron, will you be applying for the PFD this year? If you are, is it possible you can apply for it now, and let me know. If you are not applying for the PFD, let me know too.
    Please do not send me personal identifying information by email, I do not need it.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter. That deadline is May 9, 2022.

Respectfully,

Jane P. Sawyer, Regulations Specialist
