Good morning,

I am confirming receipt of a money order for $96.50 and two fingerprint cards: one for Kit Kraft, and one for Christopher vanVeen. Is Christopher Eric's middle name? We will need a fingerprint card listing his first name. The card for Christopher also doesn't list a social security number, so we don't have a way to link this card to Eric. Would you like the Christopher vanVeen card returned, or destroyed?

Good morning Brita,

Thank you, received. I went ahead and reviewed all of the corrections submitted for this transfer application, and they have all been addressed. Once I receive the new fingerprint card for Eric, this application can be deemed complete.

I will also note here that before this transfer can be effectuated, we will need a complete and signed Operating Agreement, but the draft copy that was submitted is enough to deem this application complete.
