Alaska Marijuana Control Board

Form MJ-16: Proposed New Marijuana Product

What is this form?

This proposed new marijuana product form is required for a marijuana product manufacturing facility licensee who is seeking Marijuana Control Board (MCB) approval of a new marijuana product or marijuana concentrate for production at its licensed premises, as required under 3 AAC 306.100 and 3 AAC 306.525. **The required $250 proposed new marijuana product fee may be made by check, cashier's check, or money order.**

This form must be completed and submitted to AMCO's main office prior to production of any new marijuana product or marijuana concentrate. **The proposed new marijuana product may not be produced unless and until the MCB has approved of the product.**

Please note that licensees seeking approval of more than one proposed new marijuana product or marijuana concentrate must submit a separate completed copy of this form and pay a separate fee for each proposed new marijuana product or marijuana concentrate.

Section 4 – Proposed Product Packaging and Sample Label

Enter information for the packaging and labeling of the marijuana product for which you are seeking MCB approval.

Packaging Description: Details must include the color(s), size, packaging materials used, total amount of THC, individual serving sizes (if multiple), and other specifics showing compliance with 3 AAC 306.565. Please include photos, drawings, or graphic representations.	White opaque 60 dram tube with blue, yellow, white label. Each mini muffin individually wrapped and sealed. Each serving is 10 mg with a total of 50 mg per package. Cannot send actual label in at this time as the product has not been approved. This particular product will be in our normal white opaque 60 dram tubes with our logo and verbiage of ingredients, warnings, nutritional guide. On every package it says milligrams per piece, how many pieces, and total package milligrams amount of package. In this case, it will be 10 mg per serving with a total of 50 mg per package. We place a sticker on EVERY package we send out with Best By, tested by, lot and batch number. We send our test results to the retailer per regulation. Customers can ask for a copy of test results if needed. It's a mini round muffin, approx. 1 ½" diameter and ½" deep

Sample Labels: Provide sample labels showing how the labeling requirements set forth in 3 AAC 306.570 will be met.
